# June Trends

- ◆ Frequency of COVID-19 related calls continue to decrease
- ◆ Fire Alarm False alarms (due to monsoon)

# Significant calls

- ◆ **June 1: Land fill Fire, multi agency response. Rio Rico, Nogales, Tubac, and County assets. Responded to the Rio Rico Land Fill, units on duty investigated smoke in the area and found county employees attempting to extinguish a deep seated fire. Tubac units requested mutual aid response from Rio Rico Fire and Nogales Fire.**
- ◆ **June 17: Reported brush fire was actually a vehicle rollover with one fatality. Units responded in Fire apparatus and were later notified the incident was not a brush fire and was a vehicle rollover with one person trapped inside. Delayed response of appropriate units.**
- ◆ **June 23: Major arterial bleed of the arm, patient's arm came in contact with blades from a drone. Tubac units responded along with Santa Cruz County deputies. Tubac medics arrived on scene to find deputies applying tourniquet to the affected limb. Patient was transported by ground lights and sirens; no air ambulance available due to inclement weather.**
