I wanted to reach out and thank you so very sincerely with the support your department provided our ranch in Elgin recently. We would have been decimated worse than we were if not for Chuck Mills and your dedicated crew. Not only did they save all our structures but they also provided water to our livestock after all the water piping was burned leaving our cattle without any drinking water and much needed relief and respite. The care, consideration and genuinely community response was like nothing I have ever seen. Thank you so much and please let Chief Horvath know she has an amazing crew!! Thank you again.
