

## **Board Action Request**

**TO:** Tubac Fire Board  
**FROM:** Deputy Chief G Rivera  
**SUBJECT:** Discussion and Possible Action to Replace Staff Fleet Truck  
**DATE:** 2/16/2023

---

**Background:** The capital budget and plan for this year includes replacing a staff fleet truck. The unit to be retired is a 2008 model with over 200,000 miles.

Due to continued supply chain issues in the vehicle market, inventory is limited. Our research was able to identify a unit at Larry H. Miller Dodge that is available now and that meets our needs.

**Fiscal Impact:** \$67,917.47.

**Alternate Option:** None identified.

**Staff Recommendation:** Recommend purchase of a replacement staff truck from Larry H. Miller Dodge.

**Proposed Motion:** Madame Chair, I move to approve purchase of a new staff fleet truck from Larry H. Miller Dodge in the amount not to exceed \$67,917.47.

**Attachment:** Vehicle purchase quote from Larry H. Miller Dodge.
