

Board Action Request

To: Tubac Fire Board

FROM: Martin Lujan, Captain, Manufacturer Trained Specialists (PPE)

SUBJECT: Purchase and replacement of outdated firefighter ensembles

DATE: May 31, 2023

Background: The district is requesting approval to purchase four sets of firefighter turnout ensembles that meet the NFPA 1971 Standard. We currently have one firefighter in ensemble that is past the ten year service life. We have three new hires that need to be outfitted with an initial set of gear. We have met with various vendors and have received quotes on turnout ensembles that meet *NFPA 1971: Standard on Protective Ensembles for Structural Fire Fighting and Proximity Fire Fighting*, and department specifications.

We have gathered quotes on what it would cost to purchase four sets of firefighting ensembles, each set includes Nomex hood, coat, pants, suspenders, gloves, helmet mounted flashlight and one set of boots.

Three quotes are provided from United Fire, Curtis Equipment, and the Fire Store. Each vendor offers measuring, and custom fitting for both men and women prior to ordering.

Fiscal Impact: This item was not specifically in our budget. Due to other budget offsets we are able to stay within budget. Fiscal impact \$16,471.11

Alternate Option:

Staff Recommendation: United Fire is our recommendation. We would be buying our current specification that the district has been purchasing for the last two years, and years prior before switching to a product that did not meet the same quality. United Fire is the sole provider of what we currently use and this PPE has proven its quality of life to meet the NFPA Standard 1971 10 years of service life.

Proposed Motion: Move to approve purchase of four ensembles from United Fire to replace one set that is past NFPA 1971 10 year service life, and three sets of ensembles to meet the initial needs of new suppression employees, at a cost not to exceed \$16,471.11

Terms & Conditions of Sale: Prices quoted are firm for thirty (30) days unless otherwise noted. When you accept a quote it is our indication that you have selected any required changes, carefully reviewed all part numbers, descriptions, unit quantities, taxes, shipping, and handling charges. A 50% deposit is required on all engineered projects and orders for non-stock items without approved payment terms. United Fire accepts all major credit cards, cash, business checks, and EFT's. Automatic monthly and quarterly credit card billing options are offered for inspection and maintenance packaged services. We hope you use our products safely. In the event that an item needs to be replaced or returned we will attempt to make reasonable accommodations. In accordance with United Fire's return policy, a re-stocking fee may be applied at the time of a return. There is a \$35.00 fee for cancelling scheduled services within 24 Hours of a set appointment. The order process begins when you sign and accept the quote and make any required incremental payments. Orders do not ship until a full payment has been authorized via approved purchase order or credit card. There is a 1.5% per month late charge on all past due invoices. LIMITATION OF LIABILITY: The Seller's liability whether in contract, in tort, under any warranty, in negligence or otherwise, shall not exceed One Thousand Dollars (\$1000.00) and buyer's remedy or damages shall be limited to, the return of the purchase price paid. Under no circumstances shall seller be liable for consequential or special damages.

More T&C's and have been adjusted to print only on the last page.

Another T&C that is lower and takes more space.

And another T&C that is even lower and takes up more space. The spacing has all been compressed so that most white space is removed. We could have the T&C's only print on the last page for multiple page quotes.
