## Administration Update

Staff reviewed fleet and facility costs for this fiscal year as compared to last fiscal year. Station expenses are approximately \$2,150 higher than 2018, with most of the increase at Station #2. Fleet expenses are approximately \$5,500 greater than 2018, largely due to significant increases in the cost to maintain district ambulances. The total fleet rolling stock is at 27 apparatus, down two from 2018. The District has sold 6 pieces of rolling stock in the last year with 2 ambulances remaining in auction status. The District placed into service two new ambulances and three new staff vehicles (pickup trucks) during the last year.
