Coating info TUCSON rubberized coating 12000 W&D Siliconized Dura-Coat Roof Coating is an ultra-white 100% acrylic elastomeric roof coating. This premium grade coating is designed with maximum reflectivity values to protect against the sun's heat and harmful UV rays. This product forms a thick, rubber-like shield that expands and contracts over 350% to prevent roof damage. It resists cracking, peeling, and mildew while offering unbeatable weatherproof protection and maximum resistance to lifting under ponding water conditions
