

Board Action Request

SUBJECT: TFD Apparatus Surplus
DATE: May 26, 2021
FROM: Genaro Rivera, Deputy Chief

Background:

Staff is recommending the surplus of two 2008 Chevy ambulances. These vehicles have been removed from service due to end of service life and replaced with newer vehicles. The average mileage of the two vehicles is 225,000 miles. Surplus of this property may be through a public auction company (Sierra Auction or Fire Trucks Unlimited) that we have used in the past and may include a consignment fee.

Fiscal Impact:

This will be a small revenue source for the District.

Alternate Option:

Provide staff with additional direction

Staff Recommendation:

Authorize staff to surplus two 2008 Chevy Ambulances.

Proposed Motion:

Move to authorize staff to surplus two 2008 Chevy Ambulances, Shop #1031 and Shop #1032.
