Chair
Tubac Fire District Board

I would like to be considered for appointment to fill the Board position vacated by Bill Kirkpatrick. I believe my experience in management consulting, process improvement, technology acquisition and financial planning and analysis for both early-stage startups and legacy businesses will enable me to provide significant value to the Tubac Fire District Board.

I have been a full-time resident of Rio Rico, on Camino Josefina in Northeast Rio Rico near Fire Station #3, for over nine years.

Respectfully,

Dean W. Hahn-Carlson
