

Tubac Fire District/ICSAVE

Sat 10/26/2019
9am-12noon

Get Certification in Bleeding Control and the necessary skills to teach others in just one day!

B-Con teaches participants the basic life-saving medical interventions, including bleeding control with a tourniquet, bleeding control with gauze packs or topical hemostatic agents, and opening an airway to allow a casualty to breathe. The course is designed for NON tactical law enforcement officers, firefighters, security personnel, teachers and other civilians requiring this basic training. B-Con is consistent with the recommendations of the Hartford Consensus on Improving Survival from Active Shooter Events.
